Dear THS 1996 Graduate:

Guess what? It's been 10 years already.

We are in the preliminary stages of planning a 10 year class reunion sometime this summer. The first step is to try and hunt everyone down so we can have a current contact mailing and email address to keep you informed of events. We are registered with 1-800-REUNION to help us with this task. If you could please contact them with your current contact information, it would be a huge help in putting this together.

Please contact them by clicking this link: http://1-800-reunion.com/ or by calling 1-800-REUNION.

Also, please email this onto anyone you have contact with that graduated in 1996 so that we can reach everyone.

Dates have not yet been decided. If your are interested in helping to plan the events email brenleyb@byu.edu.

The planning committee currently consists of:

Kelly Burke kellymburke@hotmail.com
Joe Christner joechristner@hotmail.com
